GREEN CREW

Greece – Bulgaria 2014-2020

The main target of this project will be the strengthening of the social economy, with a focus on the social enterprises through "Green Qualifications" and encourage the creation "green" employment opportunities. The programme will contribute to the growth, organization, consulting support and guidance of the social

enterprises in the field of waste management. Thereby, the social character of this project will be pointed out as it is crucial for the growth of the economy that is a key element of the strategic plan of both countries.

The Project is co-funded by the European Regional Development Fund and by national funds of the countries participating in the Interreg V-A "Greece-Bulgaria 2014-2020" Cooperation Programme.
